**Hilary Meredith, CEO, Hilary Meredith Solicitors Ltd**

Hilary Meredith Solicitors Limited was established in October 2003 by Hilary Meredith, a highly experienced lawyer and expert in catastrophic injury cases.

Based in the heart of Cheshire – and with offices also in London – we look after clients whose injuries range from the straightforward to those of maximum severity.

Our experienced solicitors understand that serious injuries can have a devastating emotional and financial impact on the injured person and those close to them.

We provide emotional support and clear thinking at a time of bewilderment and uncertainty for lives that are often changed beyond recognition.

Our experience of handling serious injury claims has allowed us to build up an unparalleled wealth of knowledge, expertise and experience that is at the entire disposal of our clients.

Our aim is to restore quality of life and to maximise independence and we will fight for you to achieve this.
